As LGBTQIA+ communities face growing attacks, our mission—to use music to build community and create social change—is more critical than ever.

Our music creates healing, harmony, and belonging. It speaks to our shared need for dignity and respect. In our 22nd year, we're doing amazing things but we need your help.

Ticket sales and member dues help, but we rely on our 5th Section Patrons to help keep our work accessible for members and audiences alike.

Please consider a monthly gift of \$20 or more so we can continue our mission and provide our community with more music to come!

## ABOUT THE ORGANIZATION

### WHO WE ARE

Nashville in Harmony (NiH) was founded in 2004 as Tennessee's first musical arts organization specifically created for people of all sexual orientations, gender identities, gender expressions and their allies. The organization also sponsors Major Minors, an LGBTQIA+ youth chorus, and The Pride Marching Band. With a mission of using music to build community and create social change, NiH brings people together within both the LGBTQIA+ community and the community at large.

### OUR VALUES

**COMMUNITY:** We are connected and make each other feel an important part of this community. Our members know we are glad they are here: every member feels seen, heard, and loved.

**EXCELLENCE:** We value and commit to performing work that is musically excellent, emotionally engaging, and ultimately transformative in service of our mission.

**INCLUSION:** We are open to all who support the advancement of rights for the LGBTQIA+ people, regardless of race, ethnicity, gender expression, sexual orientation, or religious belief, and physical ability, welcoming diverse and unique perspectives and celebrating the beauty of multiple experiences.

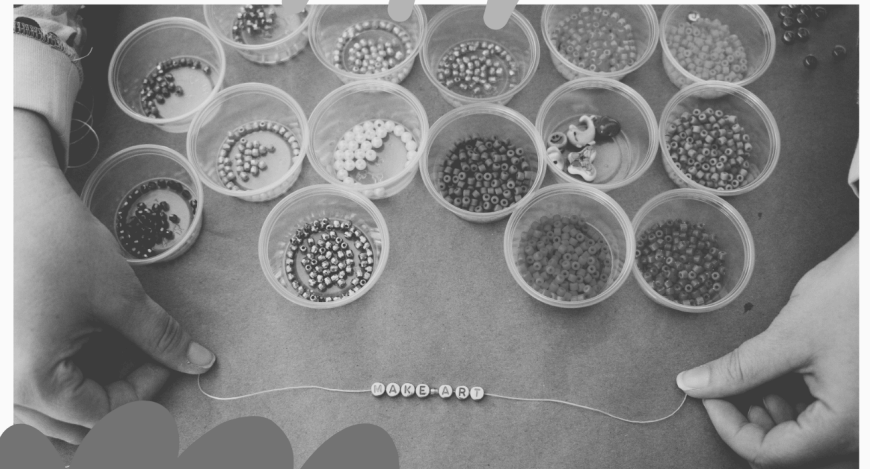

If you would like to support our vision further, you may do so by scanning the QR code below – thank you!

## BRENT SNYDER

From a single wide trailer in Appalachia to the glittering stages of Nashville, Brent Snyder is making his dream of being a country music superstar a reality through a unique perspective, sound, and voice. With his signature “cowboy in shorts” look, impressive vocals, and sharp wit, Brent effortlessly blends the worlds of music, fashion, and comedy into a unique live show experience.

A regular at venues like, The Bluebird Cafe, The Listening Room, The Lipstick Lounge, and more, Brent continues to evolve and bring something new and fresh to everything he does. His work has been featured in a PBS Documentary, Swedish Television, and garnered attention and accolades from the Nashville Songwriters Association International (NSAI). In 2025 alone, Brent played 50+ shows, made his debut at Nashville Pride Festival and launched a YouTube variety show.

Set to release a new EP later this year titled, “a buncha BS”, the first single, “nerve”, dropped last year, and is already off to a very strong start. The Nashville Scene called Brent’s “nerve” a “’90’s tinged, infectiously poppy number”. With over 200 playlist adds, radio spins on 88.5FM Tampa and rising popularity on social media, “nerve” is already Brent’s biggest release to date!

Brent looks forward to a new era of pop-country stardom in 2026, and taking over the world one country rhinestone at a time.

# SPRING SEASON SONG DEDICATIONS

## **A Beautiful Noise\*** – Dedicated by the NiH SSAA Choir

We raise our voices today for Renee Nicole Good—a neighbor, a poet, a protector, and a beloved queer woman who stood beside immigrant families when they were in danger. May our harmonies carry the courage she showed and the compassion she lived. Renee, your voice was silenced, but your song will not end here. We dedicate this music to your memory, and to every person who still believes that protecting one another is an act of love and liberation.

## **AMERICAN REQUIEM / TEXAS HOLD EM** – Dedicated by Reece Holland

Dedicated to my amazing husband, Gary. 32 years ago we met two-stepping and line dancing in Los Angeles. May you continue to be my dance partner for many years to come!

## **Cowboy Take Me Away** – Dedicated by Laura Valentine

Dedicated to my home state of Texas...a place of endless horizons where the sky taught me that anything is possible.

## **Follow Your Arrow** – Dedicated by Sara Sutton, Brianna Aka-Bashorun and Kristy Byrd

Kacey says it best, so we'll keep this short and sweet! We're happy our arrow pointed us to Nashville in Harmony. Love you who love. Happy Pride Month!

## **Girl Crush** – Dedicated by Mic Marincic and Jenny Lewis

With love, from Jenny and Mic

## **If I Can Stop One Heart From Breaking** – Dedicated by Eryn Karmiller

In memory of my Grammy June and Pop-Pop Charlie. My interest in music started with them, and this song tells exactly how they lived their lives, which is an example I try to follow.

## **Not Ready to Make Nice** – Dedicated by Shane Talbot

I am dedicating this song to anyone who has been silenced by anyone else or who was told to "just get over it".

## **Now I Become Myself\*** – Dedicated by Beth Thorneycroft

This song is dedicated with love to past, present, and future members. As Nashville in Harmony has done for me since 2007, I hope this community allows countless others to truly become themselves.

## **Rainbow** – Dedicated by Emily Bradbury

For Nora. Love, Mom

## **Rise and Stand** – Dedicated by Kelly Christie

Dedicated in honor of Nations Ministry Center and its commitment to serving and uplifting Nashville's refugee and immigrant neighbors.

## **Warrior** – Dedicated by Cécile Lainé

In loving memory of Carol Ann Fiore, whose strength, spirit, and fierce love for her children made her a warrior in her own right.

## **We Deserve Love** – Dedicated by Dr. Jackie Pair

Every person deserves love for who they are. Their identity, truth, and journey are worthy of respect and affection just as they are. In loving memory of my brother, Claude L. Greene, may he rest in eternal peace.

## **We Shall Be Free** – Dedicated by Wendell Henry

To my mother Ann Levine Henry who taught me the most important freedom is freedom of thought.

## **What Matters\*** – Dedicated by Chad Bell

To Christopher, the love of my life, to my choral brothers and sisters who walk this journey with me, and to every soul bold enough to love differently: you are worthy, your life has a purpose, and you are loved.

## **Why We Sing\*** – Dedicated by AJ Busé and Stephen Nelson

In memory of Jordan Cline Nelson, and in honor of Jackson Woods Busé, Jonathan Payne Busé, and Joshua Lee Nelson.
